

University Foundation – EQUIVALENT TO A LEVEL

START AFTER O/LEVELS TO COMPLETE IN 8 MONTHS

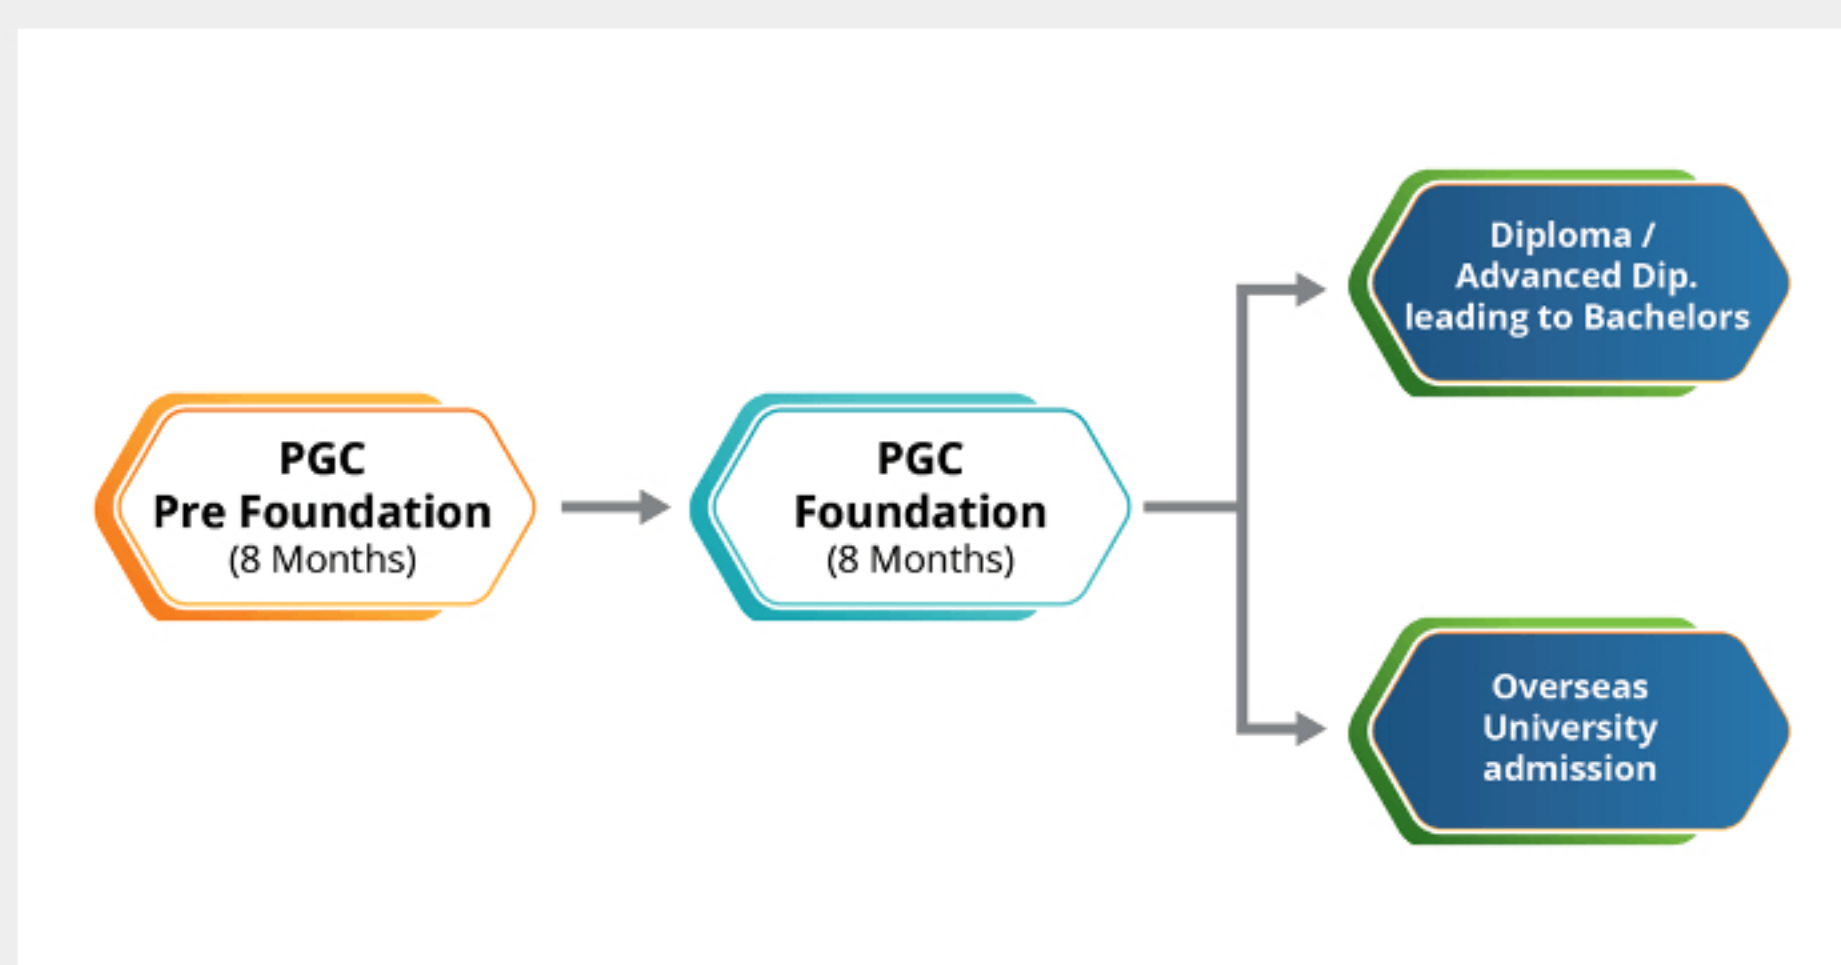

Advanced Certificate in Business Management/ Health

Course code: ACBM/ ACH

PGC Uni Foundation is intended to cater for those who do not have solid ALevel education background and but seek to enroll for bachelor's level business/health related programmes. It is also suitable for those who have studied Advanced level subjects (or equivalent) in areas that do not provide the necessary background within the related disciplines required for the chosen degree programmes.

PGC Foundation programme enables you to acquire valuable theoretical and practical experience at a measured pace, as well as the transferable skills important for higher education. The programme curriculums are designed according to the international standards & are upgraded yearly in order to meet the ever-changing university educational standards.

The programme can be followed during the time you follow your OLevel or ALevels. Key feature of the foundation is that the programme is treated as equal to ALevels commerce/ bio streams.
